

McHenry Plaindealer Death Notices – 1949-1984 (1950 Missing)

The McHenry *Plaindealer* provided a recap of news events for each year beginning with 1950 and running through 1985 with the paper ceased to exist. The recap was usually published in January of each year and included lists of all reported births (in some years), marriages, wedding anniversaries, obituaries and local news and sports from the previous years. Some issues carried pictures of deceased individuals, as well as marriage and anniversary couples. The *Plaindealer* carried news for McHenry and the surrounding areas, including (but not limited to) Burton's Bridge, Fox Lake, Griswold Lake, Holiday Hills, Island Lake, Johnsburg, Lakemoor, Lily Lake, Lilymoor, McCullom Lake, Pistakee Bay, Pistakee Highlands, Ringwood, Solon Hills, Spring Grove and Wonder Lake.

Note: Age is listed when provided; date provided may be the death date, burial date or memorial service date; the list of death in each summary may not include all deaths reported in the *Plaindealer* during the year.
