Location: Library Board Meeting Room

I. Call to Order:
President Schubert called the meeting to order at 7:03 p.m.

II. Roll Call:
Roll was called and a quorum was established.

Members Present: Jackie Fogleman, Delphine Grala, Charles Reilly, Bradley Schubert, Jill Stone (arrived 7:20 p.m.)

Members Absent: Margaret Carey, Monica Leccese

Also Present: James Scholtz, Executive Director
Bill Edminster, Assistant Director
Douglas Martin, City of McHenry
Rob Jessup, Jessup Manufacturing
Patti Torgersen, Business Manager
Lesley Jakacki, Youth Services Manager

III. Pledge of Allegiance

IV. Corrections or Additions to the Agenda
Scholtz asked that the discussion of Jessup Manufacturing's request for tax abatement from New Business be considered first to allow Mr. Martin and Mr. Jessup to leave after the discussion.
Schubert appointed Reilly to be Acting Secretary for the meeting in Leccese's absence.

V. Public Comment and Recognition of Visitors
Visitors introduced themselves to the Board.

VI. Consent Agenda for this meeting
Secretary's Report – Monica Leccese, Secretary
Minutes of the May 21, 2019 Regular Board Meeting
Treasurer's Report – Delphine Grala, Treasurer
Monthly Financial Statements and Interim Check Report through May 31, 2019
Invoice Reports for May/June 2019
Additional Invoices (distributed night of meeting)

Petty Cash and Credit Card Reports
The Board reviewed the regular board minutes, financial statements and monthly invoices. Grala asked Scholtz and Torgersen why the General Fund money in the First Midwest Bank Money Market was a negative number again this month. Scholtz explained that we had not received tax revenue as a reason for the first month but that the accountants did not suggest a transfer from the Special Reserve Fund to cover it. He will speak to our accountants to express our displeasure. We are still waiting for several property tax payments.
Grala asked about large credits in May's Statement of Revenue and Expenditure for the "Building/Auto Insurance" and "Library Furnishings" budget lines. Scholtz explained the credits were the results of voiding checks from April in May.
Grala and Scholtz reviewed the Statement of Revenues and Expenditures Budget vs. Actual and Scholtz explained cases where the spending exceeded the budgeted amounts.
Scholtz pointed out that Propay, which is on the Balance Sheet under Assets, is a fund carried over from SirsiDynix that we should have closed when we migrated to Polaris. Torgersen will take care of this before the next Board meeting.
Grala asked why the income from photocopier and fax use was so low in May. Scholtz explained that the deposit was made too late for the May 2019 Financials.
Scholtz explained that some budget lines will be added or renamed to reflect changes in what the library wants to track. He intends to track spending on in-services more closely.
Stone moved and Grala seconded a motion to approve the minutes of the May 21, 2019 regular meeting, the monthly financial statements for the fiscal year through May 31, 2019, the Invoice Reports for May/June 2019, and payment of the invoices.
Ayes: Fogleman, Grala, Reilly, Schubert, and Stone
Nays: None
Abstain: None
Absent: Carey, Leccese
Motion Passed

VII. Communications

The Board reviewed the Communications. Stone mentioned that she knew Mrs. Prust and admired her.

- B. Edminster to Mr. Ormel Prust—memorial donation in memory of Mrs. Lois Prust
- B. Edminster to Sue Hanson—thank you for donation in memory of Mrs. Lois Prust

VIII. Librarian's Report

The Board reviewed the Librarian's Report

- Scholtz spoke about a letter Diane Gaudio wrote to the Board thanking them for the library's tuition reimbursement program that allowed her to receive her Master of Library and Information Science.
- Scholtz told the Board that since the library has fewer than 50 employees, it is not required to offer FMLA coverage. He recommends continuing to offer the leave both because it is good for the employees but also because we are close to the 50-employee limit and the number of employees may increase to be above 50 in the future.

- Scholtz said that the June 21, 2019 staff in-service's speaker will talk about serving people with autism. The August 7, 2019 in-service will coincide with the installation of VoIP phones that the staff will be trained on in the afternoon. We are still waiting for AT&T to connect the fiber Internet connection that provides backup connectivity for the new phone system.
- We are scheduling resealing the parking lot over a weekend in August. The library will close late in the afternoon on a Friday and all day Saturday when the date is set.
- Scholtz reported that the library statistics were confusing this month since circulation was down but attendance was higher.
- Scholtz received an estimate for the sanitary sewer project and was pleased to say that it was just what he had anticipated, coming in at $15,000.
- The library has retained Dan Curran as lawyer for the sanitary sewer project to do title searches and identify easements. Scholtz has made an agreement with the affected neighbors so that the library will pay for the project but not for the title abstracts that the neighbors need to provide.
- The library received a RAILS Partnership Grant for $5,000 to digitize McHenry County newspapers. Our partners in the grant are the McHenry County Historical Society and Woodstock Public Library. As part of the proposal for the grant, staff from the partner institutions will give presentations to the public.
- Scholtz informed the Board that they are no longer required to pass a Prevailing Wage Ordinance.

IX. Executive Session

To discuss the appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body in compliance with the Open Meetings Act 5 ILCS 120/2 section 2(c)(1).

Schubert moved and Stone seconded a motion to go into executive session at 8:28 p.m. to discuss the appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body as well as discussing specific contractual matters of vendors in compliance with the Open Meetings Act 5 ILCS 120/2 section 2(c)(1).
Ayes: Fogleman, Grala, Reilly, Schubert, Stone
Nays: None
Abstain: None
Absent: Carey, Leccese
Motion Passed

The Board took no action in Executive Session.

Schubert moved and Reilly seconded a motion to come out of executive session at 8:36 p.m.
Ayes: Fogleman, Grala, Reilly, Schubert, Stone
Nays: None
Abstain: None
Absent: Carey, Leccese
Motion Passed

X. Old Business

1. Strategic Planning – where do we go from here? After 4/27
   Scholtz asked the Board to table the discussion to the July 16, 2019 Board Meeting.

XI. New Business

1. New Job Descriptions (accepted as part of Staff Policies)
   Scholtz explained that the new job descriptions are more specific in detail than the previous ones. Approving the new job descriptions will not affect wages. The Compensation Ad Hoc Committee composed of Stone and Leccese went over the job descriptions in depth and recommended that the Board approve them.
   Schubert moved to approve the new job descriptions. (The Compensation Ad Hoc Committee recommended approving this so no second is required.)
   Ayes: Fogleman, Grala, Reilly, Schubert, Stone
   Nays: None
   Abstain: None
   Absent: Carey, Leccese
   Motion Passed

2. Preliminary work on FY2019/20 Budget presented + calendar schedule
   Scholtz said he was unable to prepare a draft budget at this time since he was waiting for more information on projects. He asked the Board to table this to the July 16, 2019 meeting.

3. Jessup Manufacturing request for tax abatement
   Martin presented a proposal from Jessup Manufacturing. Jessup Manufacturing wants to expand its McHenry site but that would require extending the water main at their expense for a cost of $250,000. The new water main would allow them to add 35,000 square feet of space and add 15 employees. Other business would be able to open in the area using the water main for a future benefit to taxing bodies so Jessup Manufacturing is requesting a five-year tax abatement in order to afford the cost of building the water main.
   Fogleman asked why they are choosing to build here and Jessup said that they have five acres here they do not have elsewhere and that McHenry is the place where the business was founded.
   Scholtz asked Martin whether other taxing bodies could sign on to the City's abatement document and Martin said yes.
   Board members expressed concern that abating tax money would delay important projects discussed in strategic planning.
   Scholtz asked Martin to update the Board about the City's Zagster bike program.
   Scholtz explained to the Board that the program would have cost the library $9,000 per year to implement.

4. Acceptance of the RAILS Partnership 2018 grant for $5,000
   Scholtz informed the Board that they needed to accept the RAILS Partnership 2018 grant in order for us to receive it. He mentioned that this will not pay the entire newspaper digitization project.
   Schubert moved and Reilly seconded a motion to accept the RAILS Partnership 2018 Grant.
   Ayes: Fogleman, Grala, Reilly, Schubert, Stone
   Nays: None
   Abstain: None
   Absent: Carey, Leccese
   Motion Passed

5. Second reading, approval of the Public Computer Policy
   Jakacki explained the changes in the Public Computer Policy. Grala pointed out some grammatical errors in the End User License Agreement (EULA) that Scholtz will correct.
   Grala moved and Stone seconded a motion to approve the Public Computer Policy.
   Ayes: Fogleman, Grala, Reilly, Schubert, Stone
   Nays: None
   Abstain: None
   Absent: Carey, Leccese
   Motion Passed

XII. Any and All Other Business That May Properly Come Before the Board
None

XIII. Adjournment
Schubert moved and Grala seconded a motion to adjourn the meeting at 8:54 p.m.
Ayes: Fogleman, Grala, Reilly, Schubert, Stone
Nays: None
Abstain: None
Absent: Carey, Leccese
Motion Passed

Respectfully Submitted,

RAILS Selects Four Projects for Partnership Grants
For Distribution after July 2, 2019

The Reaching Across Illinois Libraries System (RAILS) announced that four projects have been selected to receive RAILS Partnership Grants. These grants encourage member libraries to work with external partners on innovative programs and services. The four projects that were awarded:

- McHenry County Historical Newspaper Digitization Project - McHenry Public Library, McHenry County Historical Society, Woodstock Public Library
- Skokie Cares SEED Initiative - Skokie Public Library, Village of Skokie, Skokie Park District, Skokie School District 73.5
- Count Me In Illinois 2020 - Be Counted Waukegan! - Waukegan Public Library, City of Waukegan, Waukegan Park District
- Nature Discovery Challenge - Westchester Public Library, Forest Preserves of Cook County, and Save the Prairie Society

Working together, the McHenry Public Library, the McHenry County Historical Society, and the Woodstock Public Library will digitize historic McHenry County newspapers and make them available to the general public, free-of-charge. The papers contain valuable news, lifestyle and society information, property sales and business information, as well as genealogical information that would otherwise be unavailable or of limited geographic availability.

"With the help of several regional partners, we've succeeded in digitizing copies of several historic, local newspapers, "said Kurt Begalka, Administrator, McHenry County Historical Society & Museum. "However, we have more papers than we have resources to preserve them. That is why this grant is so important."

Skokie Public Library will team up the Village of Skokie, Skokie Park District, and Skokie School District 73.5 with the goal of creating a more welcoming and equitable community, by expanding the SEED (Seeking Educational Equity and Diversity) Initiative. Grant funds will help these institutions develop mentoring and support for deep and challenging conversations.

"The members of Skokie Cares are committed to helping all Skokie residents feel authentically welcomed in the day to day life of the Village," said Richard Kong, Executive Director, Skokie Public Library. "Through community-wide SEED training, participants engage in conversations about race, gender, cultural differences, and other issues that separate people. From this experience they gain a better understanding of others and of themselves. The grant from RAILS will support our efforts to expand in the upcoming year."

The Waukegan Public Library, along with the City of Waukegan, and the Waukegan Park District recognize the importance of the 2020 Census. Creating a grassroots awareness campaign, these institutions will work together to position the library as a safe resource for census participation. Grant funds will go towards educational and engaging materials in English and in Spanish that target hard-to-reach populations with more information about the 2020 Census.

"Ensuring that each resident of Waukegan is properly counted is a community necessity for our future progress," said Selina Gomez-Beloz, Executive Director, Waukegan Public Library. "From libraries, to schools, parks, the city, and other organizations, we all are invested in making sure that each person is

counted. The value of the census to our community is more than just data, and education and empowerment of the importance of the census is one of our first steps to strengthening our community and future. And our library!"

The Westchester Public Library, Forest Preserves of Cook County and the Save the Prairie Society will guide Westchester youth in combining photography with naturalist-led hikes to discover the science, biology, and beauty of native lands. Grant funds will be used to purchase DSLR cameras to encounter close-up imagery and face-to-face study of the Illinois flora and fauna sprinkled across the mid-western landscape.

"The Westchester Public Library and our partners, the Forest Preserve District of Cook County and the Save the Prairie Society, are thrilled to begin our RAILS funded Nature Discovery Challenge," said Fidencio Marbella, Executive Director, Westchester Public Library. "Westchester youth, and eventually participants of all ages, will benefit from the outdoor experiences our programs will provide. The allure and artistry of photography can be the means by which we get our young people off their phones and back outside where they can discover our county's underappreciated nature preserves, fragile prairies and protected forests."

RAILS Partnership Grants are offered twice per year. Participating libraries can choose to try new projects with existing partners or to create new partnerships that benefit their communities. For more information, on the RAILS Partnership Grants, including a list of past recipients, please see the RAILS website: www.railslibraries.info

McHenry Public Library District

LIBRARIAN'S REPORT

June 2019

Administration

- B. Edminster met with S. Claucherty (6/18), K. Milfajt (6/19) for monthly sync-ups.
- B. Edminster met with L. Jakacki for her annual evaluation, 6/27.
- B. Edminster and P. Strain met with a prospective Career Online High School scholar for an interview, 6/25.
- B. Edminster received a call from the McHenry Chamber of Commerce asking to check out two hotspots for the first weekend of Fiesta Days. Bill worked with Barb Majka to sign up the Chamber for a library card. Emily Bily and Thomas Hillier help find one hotspot and place a hold on another, 7/3.
- B. Edminster led the Classic Book Discussion of *Sula* by Toni Morrison, 7/15.

Adult Services

- Author Michele Cox led the June 6 Mystery Discussion of her book, *A Girl Like You*. The group was fascinated to learn that the lead character was based on a former client of the author. Aside from discussing the whodunit aspects of the book, the descriptive details of Chicago's northwest side in the 1930's sparked many group members to share family lore of relatives who lived during that era.
- T. Hillier helped a patron find out how to verify if his grandfather ever became a naturalized citizen. He had naturalization paperwork for his grandmother and uncle, but not his grandfather. An old family story said he didn't become naturalized because of his job. He filed the paperwork and received a response from the government, which helped confirm the old family story.
- Lynda.com usage has stayed pretty consistent between May and June with 87 sessions and 216 views. P. Strain and Z. Terrill are keeping an eye on the current situation with Lynda.com becoming LinkedIn Learning and the privacy issues that will entail. With the changeover, any patron who has a LinkedIn account and a Lynda.com account will have those accounts merged and will no longer be private. There has been a lot of controversy over this issue amongst the various libraries. Most libraries, who are trapped in a multi-year contract, will be putting a disclaimer with the link to the database. We will be doing that as well.
- D. Gaudio reports that of the 32 patrons who attended Professor Moptop's program about Abbey Road, 13 of them had never been to a library program before.
- T. Hillier began scanning the 1980-1989 McHenry High School yearbooks to make them available online.
- A. Moreno enjoyed working with a patron who wanted to know the term used for a dog smaller than the toy size. The term for that size is "teacup".
- Tracy Furgason, our new account manager with Weiss Financial Rating Series Online, provided in-person training for Adult Services staff members. She explained the basis for Weiss' bank ratings as well as the information provided by their MediGap Tool which compares Medicare supplement (Medigap) plans, benefits and costs using one's location, age and gender.
- When a patron asked about language learning resources and Rosetta Stone in particular, E. Bily compared it to our Mango database and convinced her to give it a try.
- A. Moreno worked at the MPLD tent during Peterson Farm Day on June 23.

Building Services

- S. Claucherty and G. Pease made several building envelope repairs.
- S. Claucherty developed a table mover for the friend's book sale area.
- H/VAC- Complete Mechanical Solutions came in to do our preventive maintenance for fall.

- S. Claucherty located a leak on our hot water heater upstairs. Schull replaced the unit. Waiting for electricians to install new lines.
- M. Knuth is off to a great start! He has learned his position quickly and pays a lot of attention to detail.
- The Sanitary sewer line has held up since the work was done.
- Schull plumbing routed out the piping in the rear staff rest room.
- S. Claucherty cleared the vacant north lot of brush and weeds.

Circulation

- L. Horist attended an In-Service Meeting 6/6
- B. Majka attended Manager's Meeting 6/11
- B. Majka attended Circulation Advisory Group Meeting 6/14
- Circulation staff attended Library In-Service 6/21
- L. Horist helped at Petersen Farm Event 6/23
- B. Majka attended Public Service Manager's Meeting 6/25

Human Resources (see Admin report)

Public Relations

- Updated website as needed.
- Designed and edited August/September/October *Preface* newsletter. Will go in mail on July 12.
- Promoted upcoming programs, services and collections via website, social media, online calendars and press releases, indoor/outdoor signs.
- Sent out two e-newsletters to more than 2,000 patrons who signed up to receive them.
- Updated and reprinted our database brochure.
- Began promoting new Explore More Illinois Program (free passes to attractions courtesy of RAILS)
- Took a check for $765 to FISH Food Pantry as our donation from our Half-Price Fines Program in May.
- Attended Department Heads meeting 6/11.
- Attended RAILS Marketing/Graphic Design Networking Meeting at Barrington Library on June 7

Technical Services

- The department worked on preparations for the Polaris Acquisitions Fiscal Year roll over, which was successful and uneventful.
- K. Walker had his evaluation this month.
- K. Kimbrel and K. Meadows had SMART Goal reviews this month
- K. Milfajt received her evaluation this month.
- D. Lavin participated in the MPLD Sunshine Committee meeting, 6/4.
- K. Milfajt participated in the MPLD Collection Development Committee meeting, 6/4.
- K. Walker participated in the MPLD In-Service Committee meeting, 6/6.

- K. Milfajt represented the MPLD at the CCS Acquisitions Technical Group meeting, 6/12.
- K. Kimbrel, D. Lavin, K. Meadows, P. Radic and K. Walker participated in the MPLD Technical Services Team meeting facilitated by K. Milfajt, 6/13.

- K. Milfajt participated in a conference call with Midwest Tape to discuss vendor cataloging options to decrease our foreign language video backlog, 6/13.
- K. Milfajt had her sync up with B. Edminster, 6/19.
- K. Kimbrel, D. Lavin, K. Meadows, K. Milfajt, P. Radic and K. Walker attended the MPLD Staff In-service, 6/21.

Technology

- D. Grandon attended the CCS IT meeting in Des Plaines on 6/18.
- New Lenovo computers currently being deployed to Public Service staff.
- New Scale equipment (servers) delivered on 6/25.

Youth Services

- Summer Lunch Program
- J. Einoris worked with Bev Aweve and Pat Schafer of the McHenry Historical Society to put on an American Girl program at the library. The kids who attended we treated to presentations about the historical era the dolls came from, and did an activity/craft from that era. When possible they worked in local McHenry history into the historical presentations.
- A. Karwowska presented a program on Biosphere 2 for tweens. She focused on teaching the tweens about the research facility Biosphere 2 in Arizona and then they made closed system terrariums to understand the scientific principles. The tweens enjoyed the activity and it was nice that they learned some science too.
- E. Andrews hosted the "Skate the Rainbow" program at Just for Fun Roller Rink. This was the library's Pride Month celebration. The program was open to everyone and had a diverse group of teens/tweens and families all enjoying the event. Emma worked with local Pride groups and PFLAG to get the work out about the program.
- M. Cairo attended the inaugural "Outdoors is for Everyone" event at Moraine Hills State Park. The event 's goals was to highlight ways those with special needs could enjoy the outdoors. M. Cairo shared an outdoor themed story time and manned a booth with library information.
- J. Hume with the help of M. Puga and M. Cairo has been touring the local parks of McHenry with our annual Stories in the Parks summer events. Jessie has been putting together the story times which have received many compliments for kids and their families.
- M. Puga visited McHenry Youth & Family Services to promote and sign kids up for the summer reading program.
- M. Puga and J. Einoris presented their Choice Cards and Library Story at the In-Service meeting to show staff ways we were working to make the library more inclusive.
- Continuing Education-
    - In fiscal year 2018/19 YS Staff participated in over 815 continuing education hours
        - June CE highlights: E. Andrews took the first class of "The Teenage Brain" course through MCC focusing on teenage anxiety; M. Cairo took a webinar about creating surveys for a future YS programming survey

The TS Dept. added 1433 items (+16%) in June 2019. Staff also mended 231 items (-7%) and processed 1429 new items (+5%). New patron cards entered – 203 (-6%). Overall circulation decreased by (-6%) from the previous year/month and we were open half a day less than last year/month (27.5 days). 50,786 compared to 54,137 with 17,822 renewals (35% of total circ was renewals). All areas except AdOtherFormats (+503%) and ILL lend (+16%) decreased, even ILL borr (-8%). Library attendance increased by +26% (21,266 compared to 16,843, so one would think that circulation would have also

increased but it did not. (1,847 per day compared to 1,933 (-4.7%). Wifi use went down slightly (-0.4%). Website visits decreased by (-8%) (28,267). Eresources use increased – digital book downloads (+12%); digital mags (+59%), though Hoopla decreased (-3%); 402 Simple Scan uses. Adult and Teen programs +19% and unknown (no data from 2018) respectively but the number of programs provided in both adult and teen increased by +70% and 33%. Children's programming attendance gained by +8% and there were -1% fewer programs than last yr/mon.

To repeat from last month, I asked Adult Services to track computer usage for a time so we could get a picture of the number of PCs/frequency of use. We have 22 Adult PCs – at any given time no more than 11 are used, with as little as 2 being used. So, for the FY19/20 budget, I'm suggesting that we eliminate a number of Adult PCs, provide patrons with Google Chrome books and turn those PC areas into phone charging stations, seating areas for work, etc. Patrons using PCs prefer to not be next to other individuals – they like to spread out so creating less table space isn't an option. This will aid in lessening our MS licensing budget.

Upcoming Events and Projects

- We no longer have to submit a Prevailing Wage Ordinance. Meetings and Nonresident card ordinance due in July along with preliminary budget.
- CCS Gov. Brd and Strategic Planning mtg – J. Scholtz 6/22
- We will be hiring in Bldg. Svcs. and in Admin in the coming months (Custodian, HR Generalist).
- New phone service chosen – First Communications, VoiP – we need to complete install of ATT fiber line before install/training for phone system (est. Aug 2019)

RE: **Annual Review of Non-Resident Card Fee; Resolution 2019/20-2**
DATE: June 24, 2019

At least once a year we are required to review the library's fee for a non-resident card. State statute requires that libraries cannot charge non-residents less than what the non-resident card fee is calculated to be using the formula outlined below. There is, however, no law establishing a maximum charge for a non-resident card. According to the state formula, the library's minimum non-resident card fee would be a bit more than $201.

(property tax income)/district population $3,180,654/ 42,023 = $75.69
x 2.66
$201.33

The calculation divides our current tax extension by the current population of our service district. The 2.66 figure represents the size of the average household in the McHenry (city) area according to same figures from the ***2010/2012 U.S. Census Finder2***.

RECOMMENDATION: At the July 2012 board meeting, using this same formula, our fee for a non-resident library card was set at $200, down from the previous $252 a year ago. Since we are still using the 2010 Census figures, our population has increased substantially but our income has remained the same or dipped slightly. During 2019-2020, the economic situation for many people in our District has improved slightly plus we have the 'enhanced card.'

in light of increasingly good economic picture and the fact that we don't sell many nonresident cards, (we have 2 nonresident cardholders + 18 NR (property owners living outside District) and we have instituted an 'enhanced library card' (12+ enhanced cardholders), + we are adding some new electronic resources that will be very popular and useable by these cardholders, I recommend that we keep the non-resident at $205, effective July 1st, 2019 for FY2019-20.

Note that also as of August 1, 2014, we instituted $1.00 fees per item for non-pick-up of ILLs/holds AND started the "Enhanced Services Library Card" for reciprocal borrowers. This $1.00 non-pick-up fee has not seemed to deter holds by patrons. The Nonresident card (above) pertains to just those individuals who do not live in a library district/city public library (unserved areas). Also, on Sept. 1, 2016, we instituted new fine fees: 25¢ increases to 50¢ and 50¢ fines increase to $1.00 but as we changed over to Polaris, much of our circulation will have automatic renewal (almost 35-36% auto-renewals) – we've seen a substantial drop in overdues – fines and fees – as much as 1/2. I will also be recommending that we charge for hot items beyond a limit of 2

Jessup Manufacturing Company
Real Estate Tax Abatement and Incentive Agreement

This Economic Incentive Agreement ("Agreement") is entered into by and between the City of McHenry, McHenry County, Illinois ("City"), _____ _____ (collectively "Taxing Bodies") and Jessup Manufacturing Company ("Developer").

Recitals

A. Whereas, the Taxing Bodies and the City have the power and authority to enter into this Agreement pursuant to the provisions of Article VII, Section 10 of the Illinois Constitution of 1970 and the Illinois Intergovernmental Cooperation Act, ILCS 220/1 et seq.;

B. Whereas, the Subject Property, 2815 W. Route 120, legally described on Exhibit A attached hereto and incorporated herein, is identified as nine tax parcels more or less and contains an approximately 50,200 square foot one-store building;

C. Whereas, the total 2018 Equalized Assessed Evaluation of the Subject Property is $652;950;

D. Whereas, the City and Taxing Bodies desire to promote commercial growth, facilitate redevelopment and provide business retention services within the City;

E. Whereas, the Taxing Bodies and the City play a vital role in achieving defendable and sustainable incentives for new development which will in turn support future tax relief for the citizens of the City;

F. Whereas, the City and the Taxing Bodies mutually agree to cooperative participation with the understanding that either party may participate at will with any and all incentives offered to an individual business under this Agreement;

G. Whereas, this Agreement is made pursuant to 35 ILCS 200/18-184;

H. Whereas, each of the Taxing Bodies are taxing districts within Illinois;

I. Whereas, the Developer proposes construction of an approximately 35,000 square-foot addition ("Addition");

J. Whereas, the City and Taxing Bodies find that Developer's construction of the Addition on the Subject Property will 1) create and enhance existing and additional business

5. Governing Law, Waiver and Notices. The laws of the County of McHenry, the State of Illinois, shall govern this Agreement and the sole and exclusive venue for any disputes arising out of this Agreement shall be the Twenty-Second Judicial Circuit, McHenry County, Illinois. Any notices required in this Agreement shall be effective when in writing and three days after mailing by certified mail, return receipt requested, or by delivering the same in person or to any officer of such party or private overnight courier, when appropriate, addressed to the party to be notified.

All notices to the City shall be sent to:

City Administrator
City of McHenry
333 S. Green Street
McHenry, IL 60050

With a copy to:

David W. McArdle

The long-term effect of Pritzker's tax plan

To the Editor:

Let's look at J.B. Pritzker's economy five years in the future: The graduated income tax didn't bring in as much revenue as planned.

The rich moved or established their tax residence somewhere else. So now everyone needs to pay more, except the bottom 3% earners.

The pot smokers cannot get a job because they cannot get past the drug test. The small shop owners selling drugs buy 5 pounds legally, so they have the papers. The drugs on the black market are so much cheaper because there's no tax when they buy the bulk on the black market.

Some things never change. When we were freshmen in the 50s, we went to Wisconsin to buy beer. Raise the tax on gas and beer high enough and people will travel.

Who needs to build new roads?

People are moving out of the state. Fill the pot holes and repave but with fewer people. We don't need four-lane highways.

Gambling and casino regulars are losing 40% of their bets, so most of them will be in the poor house. If you believe the slots will pay 95% to 98% out, I have some land in Florida I'll sell you.

Minimum wage earners will need to earn more than the $15 to be able to pay all the new taxes.

A place with purpose, a place of learning

To the Editor:

In a world filled with divisiveness, I have chosen to write about something good for our community. It has become increasingly difficult to avoid the good and the bad aspects of life, depending on which way you feel about our politics. Personally, I have a place where I can go to be free from all the politically correct politicians. My library.

The McHenry Public Library. I go there to educate myself.

Why, you might ask? Here's the kicker, and I'm foaming at the mouth to blurt out the answer: It's free.

Moms and dads, quite honestly, it hurts me dearly to hear you harp on that an education is so costly.

If you could get your children away from the smartphones you bought them long enough, they could go to this fine institution and learn how to educate themselves even more so.

Maybe, just maybe, with the extra work, they could get accepted to a great university on a scholarship and, wa-la, mom and dad won't have to spend a dime on them for a good school.

Let a hardworking teacher know you hang out at the library and watch the respect you'll get.

I started off at this library four years ago, going almost every day. The plan, learn research work. I wanted to do volunteer work out at the Naval hospital since, at the time, I was having many medical issues concerning neuropathy.

All of the sudden I had to learn how to use a computer.

Oh God, first I figured out all on my own how to turn it on. The accolades started coming fast. (Of course, with the help of the incredibly patient librarians.)

Microsoft Word 365, bam, free.

Grammarly, bam, free. I'm looking really smart now. Another thing, these librarians are so over-the-top smart.

If you have a question, you are going to get an answer, whether you like it or not.

Seriously, though, I am learning to become a good writer. I do have a few things under my belt. Becoming a published author and getting into the Library of Congress is pretty cool.
