Local Author's Fair Call for Applications

The McHenry Public Library is looking for applicants for its first Local Authors Fair to be held on Saturday, November 3 from 10 a.m. to 12 p.m. Due to space limitations, only six spots are available.

Each author will have 10 minutes to talk about their book and do a reading. In addition, a table to display/sell books will be provided. The author will be responsible for staffing their table and for any transactions.

Applications will be available starting Monday, June 4 and must be submitted by Monday, July 9 to Adult Services at the Questions Desk or emailed to mpref@mchenrylibrary.org.

Applications will be available at the library and on the library's website. Applying authors must have published a book in the last five years intended for adult readers. All applicants will be notified by August 1.

Registration for regular summer programs begins Monday, May 14 at 9 a.m.

Library News

New Drive-Up Return System; Easier to Use Self-Check Machines Allow for Credit Card Payments

Since our new online catalog rolled out last month, we focused on another big project we've been working on to improve service — a new item identification system that will make returning and checking out library items easier.

A new state-of-the-art outdoor drive-up return system allows items to be taken off your account instantly. Be sure to read the instructions on the screen — items have to be put in the slot one at a time!

And our new self-check stations allow you to pay fines with a credit card and check out items easier!

More information on these improvements can be found on our website — www.mchenrylibrary.org — and in our e-newsletters — sign up on our website!

Love Your Library? Consider Becoming a Board Member

The library Board of Trustees has an opening for a trustee effective July 1, 2018. If you support your library and would like to get more involved in its future, please consider this opportunity.

Trustees must live in the library's district and be registered voters. These volunteers establish library policy, approve the budget, supervise the director, help develop the library's long-range plan, help promote the library, attend monthly meetings and participate in opportunities for continuing education.

Information packets are available at the Checkout Desk, or you can call our Director, Jim Scholtz, at 815-385-0036.

Walking Classroom Comes to McHenry Public Library

In conjunction with McHenry School District 15's Riverwood Elementary School, the McHenry Public Library was awarded a RAILS Multitype Collaborative Grant for \$2,440. This grant will provide a learning and fitness opportunity to Riverwood students and McHenry families in the form of "The Walking Classroom" for fourth and fifth graders.

"The Walking Classroom" consists of durable mp3 players that come preloaded with podcasts written and created specifically for fourth and fifth graders, featuring lessons that align to the Common Core Learning Standards for those grades. The podcasts start with health awareness, and then move into topics related directly to curriculum for these grades, including STEM, social studies, and literary topics.

McHenry Public Library will permanently host two family kits, one for each grade level, each featuring two devices as well as a lesson plan book for families that would like try the program. These will be available to check out for three weeks at a time from the Questions Desk starting in May. Over the summer, the McHenry Public Library will host Riverwood's 20 devices. Like the library's Playaways, patrons will need a AAA battery and their own headphones to use these devices.
